Goodbye and Farewell

Our goodbye is to Pam Moritti who has been a program assistant to Northview Senior Citizens for five years. She served us incredibly well with her attention to detail, dedication, and heart. She preferred to be "behind the scenes" but her hard work from the administrative perspective enabled us to operate efficiently and accurately. Although her last day was in June, she has already offered to volunteer for registration, so you may see her name on an email or two! She is already missed!

Our farewell is to Gayle Gooslin who is stepping down from her Advisory Board Member position after serving on the board for over 15 years. She has said it was her privilege and honor to serve but, truly, it has been our privilege and honor to have her represent our members so well for so long. Her guidance, heart and clear thinking has contributed significantly to the success of the board and of the program as a whole. She has volunteered in almost every aspect of our organization over the years and we are grateful for her dedication and service. Thank you for your contributions. We will miss your steadfast input!

Heroes Next Door

Thursday, September 29 2:30pm

Every day The Michigan Heroes Museum shares the personal stories of heroism, leadership, and sacrifice, of ordinary Michigan men and women thrust into extraordinary circumstances. Their mission is simply to Honor, Respect, and Remember Michigan citizens' personal contributions to our nation's military and space program. The museum believes that sharing this heritage is vital to understanding our past and preserving our future. Join us as we hear the stories that need to be told. We will focus on heroes from Grand Rapids and West Michigan.

About the Speaker: John Ryder, Executive Director of the Michigan Heroes Museum in Frankenmuth, actively works to spread the word about the highs and lows of service men and women and works to raise funds for funerals for military personnel.

Grand Bridges North

Monday, August 29

The city of Grand Rapids was born alongside a one mile stretch of spectacular rapids on our Grand River. The pure, rushing waterway was absolutely integral to GR's explosive growth in the 19th century. Enjoy criss-crossing some of these historic spans as we weave our way across a section of the longest river in the state of Michigan. Along the way, hear nostalgic tales of times gone by and appreciate its irrepressible flow into the future.

Hunting For Murals (Part3)

Friday, September 9

Grand Rapids has long been a mecca for those who create art and those who appreciate it. Here in GR, art is not confined to indoor galleries...look around...art inhabits and transforms a multitude of public spaces. On this walking tour, we will visit many public pieces of artwork. The journey takes us to the west side of the Grand River.

Oakgrove Cemetery Stroll

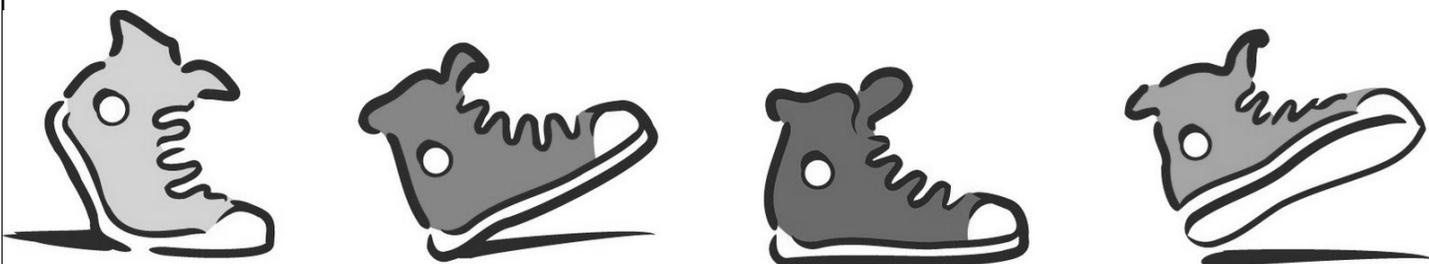

Friday, September 16

This quaint cemetery - hidden from thousands of passing cars - was once located in the middle of nowhere, a completely rural setting. Even today, its snug little setting paints a picture of what the area must have looked like back then - with its magnificent stands of mature Oak trees, when it was called Paris Township Cemetery. Find out who is buried here. You may be surprised!

About the Tours: All walking tours are guided by our long time partner, Caroline Cook. Caroline is the owner of Grand Rapids Running Tours. She's a running enthusiast, a natural cheerleader, and a history nut. As a downtown dweller, she blended her two favorite pastimes, exercise and storytelling, and now narrates the fascinating tales of Grand Rapids lore to visitors, locals, conventioners, clubs and organizations.

Cost for each tour is \$15. Sign up for one, two, or all three!

Transportation to the start of each walking tour is by minibus.

Motor Coach Trips

Annual Fall Color Tour

Thursday, October 13 OR Friday, October 21

Depart 7am back by 7pm

We are heading to Ludington to discover the charm and history of the area. Our day includes a guided tour of Ludington to see the Lumber Baron's homes, lighthouses and more! A tour of the Mason County Research Center for a behind-the-scenes tour that highlights key industries and individuals that made Mason County and West Michigan what it is today. Time is set aside to shop for unique gifts and specialty candies in this vintage-styled Emporium. As you shop, displays provide an overview of the history of the Mason County Historical Society, established in 1937, as well as information about the Society's three separate museums.

A brief stop at Wolf's Den will be a special treat! This shop, that partners with 40 incredible artists of American and Michigan made products such as handcrafted rustic, modern, and log furniture as well as handcrafted home décor is a unique shopping experience.

The afternoon finds us onboard The Princess of Ludington. This vessel, has an expansive upper and enclosed lower deck surrounded by windows for viewing our beautiful lakeshore. The intention is to sail Lake Michigan. However, if wind and weather does not permit us to cruise Lake Michigan, we will turn around at the harbor mouth and cruise Manistee River into Manistee Lake.

We wrap up our fall color tour in the city of Baldwin to enjoy a homemade treat at Jones' Homemade Ice Cream Shoppe. They are celebrating their 80 year anniversary with the same friendly service, hometown atmosphere and awesome ice cream!

Includes: Transportation by motor coach, lunch, ice cream, tours, gratuities, coffee and donuts.

Come From Away

On 9/11, the world stopped. On 9/12, their stories moved us.

The focus of all three events is not the tragedy on 9/11, but the inspiring events that occurred in Gander, Newfoundland in the days afterward.

We have three different activities that are designed to complement each other in our desire for life-long learning opportunities. You may register for one, two or all three of the activities!

Read: Tuesday, November 1 @ 1pm (book) “The Day the World Came to Town: 9/11 in Gander, Newfoundland” by Jim DeFede. Read the book on your own, then join our lively group book discussion. Held at the Senior Center.

When 38 jetliners bound for the United States were forced to land at Gander International Airport in Canada by the closing of U.S. airspace on September 11, the population of this small town on Newfoundland Island swelled from 10,300 to nearly 17,000. The citizens of Gander met the stranded passengers with an overwhelming display of friendship and goodwill.

Watch: Tuesday, November 1 @ 2:30 pm (film) “Diverted” When terrorists attack New York’s World Trade Centre, flights bound for North America are ordered to make emergency landings. Many of the planes are diverted to the small town of Gander, in Newfoundland. We see the very best in mankind despite the disaster, but Gander is forever changed. Diverted is a multi-faceted film about finding hope in tragedy and goodness where you least expect”. Run time: 85 minutes Held at the Senior Center.

Visit: Wednesday, November 9 Broadway Grand Rapids: Come From Away

This “Visit” is a bit different! Our destination is DeVos Performance Hall to enjoy the Broadway play *Come From Away*. This New York Times Critics’ Pick takes you into the heart of the remarkable true story of 7,000 stranded passengers and the small Newfoundland town that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships.
